B.S. Degree – 2022/2023

Major: Health Science

This program plan is valid only if the student registers for, and completes, a term at Brenau by summer 2023. If the student defers admission to fall 2023 or after, the student must contact the adviser to change to the subsequent catalog.

Please note the following:

1. Grades less than "C" cannot apply in the major.
2. Some required courses in the major have prerequisites. Consult the catalog and your adviser while planning your schedule.
3. Students must earn a cumulative grade point average of 2.0 and a major grade point average of 2.50.
4. Some courses may be listed (as a choice) in more than one section in the major. While major courses may be applied toward the LE, courses in one section of the major may not be applied toward another section in the major.
5. All courses are 3 hours unless otherwise noted. ()

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding

The total number of hours on the student's transcript
(available in CampusWEB)

- hours earned for courses taken at the developmental level

+ courses currently registered for

+ courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Residency requirement:

A residency requirement of 30 semester hours is required to graduate from Brenau University. This includes a major residency of 21 semester hours.

This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

Note: Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.
