MINORS - Students are highly encouraged to declare a minor

The minor the student chooses must be followed as stated in the catalog. When required by the catalog, the minor department must approve the minor. Several minors suggested by the dance department are: Entertainment Management, Psychology and Small Business Management.

LE -Liberal Education course. All LE courses are noted on the plan whether satisfying a LE

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding

The total number of hours on the student's transcript

(available in CampusWEB)

- hours earned for courses taken at the developmental level + courses currently registered for
- + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours

Students must earn a cumulative grade point average of 2.0 and a major grade point average of 2.50.

Note: This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

This program plan was prepared by the Registrar's Office.
