B.F.A. Degree – 2024/2025

Major: Theatre Design & Technology

This program plan is valid only if the student registers for, and completes, a term at Brenau by summer 2025. If the student defers admission to fall 2025 or after, the student must contact the adviser to be changed to the subsequent catalog.

- All major courses must have a grade of C or higher.
- Courses are 3 hours unless otherwise noted ().

Theatre Practicum: (18 hours) Students who transfer into the program or who change their major to theatre while enrolled at Brenau are required to take practicum each semester (or until they meet the 18 hour credit requirement) except for when they are enrolled in TH 499, thus their total may be fewer than 18. Place a note on each line below for each hour of practicum taken.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding
 The total number of hours on the student's transcript
 (available in CampusWEB)
 - hours earned for courses taken at the developmental level
 + courses currently registered for
 + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Residency requirement:
 A residency requirement of 30 semester hours is required to graduate from Brenau University. This includes a major residency of 21 semester hours.

Note: Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.
