(If student took honors courses-use those courses in place of the corresponding non-honors equivalent.)

The Liberal Education program is divided into four portals: World Understanding, Scientific and Analytic Curiosity, Artistic & Creative imagination, and, Communication and Language Fluency. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. B.M. Degree – 2010/2011
Major: Music Performance

Multiple Courses: Courses listed in this block are all part of the major courses for music performance and are taken multiple times. Instead of listing them multiple times on the program, post grades on the appropriate lines below to keep track of those courses. In addition, the piano proficiency exam is listed in this block as well.

Music Concentration Courses:

Students must take a total of 16 hours in a music concentration plus 2 hours of recital. This concentration can be voice, piano, or accompanying. In addition, 4 hours in a minor instrument are required. The minor concentration choices are voice, piano or accompanying as well.

Place grades on the lines below for each two-hour major instrument course completed. Place a grade on the lines for each hour of secondary instrument as well. A grade of "C" or better is required for each major course. If the student transferred applied courses from another institution that will apply in this area and there are hour-conversion issues, please use the "Notes" area below to outline the major instrument requirements and how they were satisfied.

Circle P (piano), V (voice), or A (accompanying) below to indicate which is the major or secondary instrument. ↓

Major instrument applied lessons: (2 hours each)

_____ P / V / A

Minor instrument applied lessons: (1 hour each) [Note: Piano majors must study voice as minor instrument.]

_____ P / V / A

Passed **piano proficiency** exam: _____ (mm/yyyy)

Ensemble: Vocal Chamber Ensemble (MC 196 - eight hours required) – place the grade earned for each course in which the student registered for and received an hour of academic credit. Courses taken for "no credit" may NOT be counted.

_____ (8 hours total)

NOTES:

Note: No grade less than "C" may be applied in the major. Students must earn a cumulative grade point average of 2.0 and a major grade point average of 2.5.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

- Adding
- The total number of hours on the student's transcript (available in CampusWEB)
- hours earned for courses taken at the developmental level
- + courses currently registered for
- + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.
